ADDENDUM TO OFFICE ACTION RESPONSE

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

This is an Addendum to the Response to Office Action showing the changes made to the specification/claims made thereby.

IN THE CLAIMS:

1. A method of determining the shape and size of a foot comprising the steps of:  
obtaining an imprint of the foot by compressing said foot into a compressible member;  
scanning the imprint of the foot formed in said compressible member to obtain pixel image  
data regarding the foot imprint at one or more points;  
determining at said one or more points the depth of the imprint from the image data;  
determining the size of said foot imprint; and  
determining the curvature of one or more portions of said foot imprint.
